Used Motor Oil*

Used motor oil can be recycled at your curb (not allowed in garbage) or at most auto parts stores.

Curbside: Place oil in sealed gallon jugs with your name and address on your recycling day (limit 2 gallons per pickup).

Stores: Most auto part stores will accept used motor oil for recycling. Call ahead for quantities and restrictions.

Automotive Batteries

Automotive and boat batteries can be recycled for free at most auto parts or sporting good stores. Call ahead for quantities and restrictions.

Tires

Tires are accepted for a fee at most tire retailers. Call ahead for quantities, fees and restrictions.

Motor Vehicles*

Contact auto wreckers in the area for disposing of vehicles that no longer run.

Oil-Based Paint, Chemicals & Pesticides*

The Household Hazardous Wastemobile and fixed hazardous waste sites accept a variety of hazardous materials including oil-based paint, chemicals, cleaners, pesticides and insecticides.

Visit www.govlink.org/hazwaste/house for details and the wastemobile schedule.

Latex Paint

Latex is not accepted at the household hazardous waste facilities. It can now be put in the garbage, as long as it is dried up or solidified. Mix paint with equal parts cat litter, shredded paper, sawdust or commercial paint hardener. After solidified, place in garbage with lid off.

Needles & Sharps*

Needles and sharps must be disposed of in a puncture resistant container with a tight fitting lid. Mail in programs are available for a fee. Search online for "sharps mail in programs". Call ahead for fees and restrictions.

RECYCLING INFORMATION

Waste Management is contracted through the City of Federal Way to collect your garbage. Contact Waste Management at 253.833.3333 or www.wmnorthwest.com/federalway to start, cancel or change garbage, recycling or yard waste service.

With all-in-one recycling, you no longer need your "bottles and cans" bin. Keep for extra storage or place at the curb on recycling day marked "dispose."

If you often have extra recyclables, contact Waste Management to order a larger cart at no additional charge.

Did you know that the Federal Way City Code has guidelines about set-out and storage of garbage and recycling containers? Once containers are emptied, please remove them from the street for proper storage. Also, do not store containers in front of your home (unless the cans are screened from view). Thanks for your courtesy and for helping keep Federal Way beautiful!

Food Scrap Recycling

Food scraps and food-soiled paper can be placed in your yard waste cart to be recycled into compost. Wrap food scraps in newspaper or place in a paper sack to reduce mess and keep your cart clean. For more information on food scrap recycling including what type of items are accepted, contact the City of Federal Way at 253.835.2771 or jeanette.brizendine@cityoffederalway.com.

Recycling Events

The City of Federal Way sponsors recycling events each spring and fall for residents to drop off a wide range of materials not typically collected at the curb and/or banned from disposal such as appliances, clean wood, bulky yard debris, fluorescent tubes, electronics, petroleum products, tires, batteries and rigid plastic. The next event is Saturday, September 19, 2009, 9:00am - 3:00pm at the Twin Lakes Park & Ride. Visit www.cityoffederalway.com/recycling for details.

Multi-Family Complex Recycling

Recycling collection service and educational materials are provided at no additional charge to all multi-family complexes. Contact the City of Federal Way at 253.835.2771 or jeanette.brizendine@cityoffederalway.com.

Recycling at Work

Free assistance is available to set up or expand recycling at your workplace. Contact the City of Federal Way at 253.835.2770 or rob.vanorsow@cityoffederalway.com.
